

Jonas Hornblad

Bio

Jonas Hornblad was born a midget in Stockholm, Sweden. Growing up in a home with instruments always present he discovered music quite early. Although he took some piano lessons at the age of ten and then again a few years later, things didn't really get serious until discovered Fast Tracker. In early 2000 he made his first attempts to produce music.

Moving on from Tracker-programs to more advanced software, Jonas made his radio debut in Swedish national radio P3, got in touch with various indie labels and did a few euro-disco productions/remixes. One of which made it into the Norwegian Dance Chart.

After a few years of trying different genres Jonas decided to aim for club music only and to take his DJing another step forward. In the fall 2006 and the winter 2007 he did lots of gigs at house/electro floors around Stureplan, Stockholm and then moved on to the trance scene where he is likely to stay for a while.

Jonas Hornblad made his debut in 2007 with 'Like You' and has since then been busy doing tracks like 'Small World' (with UK based AJ Hutch) and 'Hydrogen' (with fellow Bjorn Hodel from Sweden) aswell as remixing names like Alex M.O.R.P.H., Jan Johnston, Aruna and Tiff Lacey, Yans, Alex Pich & Dmitri Fedorov, Andy E, etc on labels like Vandit, Enhanced Recordings and more.

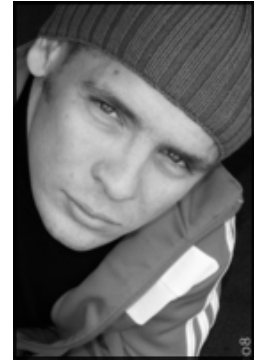

His work has been supported several times by BBC Radio 1 and top DJs such as Armin Van Buuren, Judge Jules, Ferry Corsten, Paul Van Dyk, Above & Beyond, M.I.K.E. (Push), Thrillseekers, Roger Shah, John O'Callaghan, Super8 & Tab, Agnelli & Nelson, Dave Pearce, Matt Darey, Signum, Aly & Fila, Airbase, Menno De Jong, Genix, Daniel Kandi, Manuel Le Saux, Marc Marberg, Ernesto vs. Bastian, Tom Colantonio, Fabio Stein and many more.

Jonas is also an upcoming DJ. Over the last year he has played some of Sweden's biggest trance clubs, including three of the internationally known Monday Bar Cruises, alongside names such as Cosmic Gate, Roger Shah, Mark Norman, Cor Fijneman, Menno De Jong, Yves Deruyter, Jonas Steur, Mark Sherry, Lisa Lashes, Greg Downey, BK, DJ Isaac, Showtek, etc.
